LEDE

HOMESTEAD, Fla., September 5, 2026 - 40.9% of the 548 single-family homes listed for sale in Homestead have reduced their asking price at least once, by a median 3.7% (about \$24K), according to a daily analysis of BeachesMLS listing data by PBP Real Estate. Among the city's 157 condominium listings, 43.9% have cut, by a median 6.2%.

NUT GRAF

The figures point to a market where roughly one in three homes finds a buyer only after a price decision: of the 162 Homestead houses now under contract, 40.7% reduced before going under contract, with a median cut of 5.3% and a median 44 days to contract. Across Miami-Dade County the price-cut share is 37.7% for houses and 37.4% for condominiums, so Homestead houses are cutting 3.2 points more often than the county. Counting every relisting, the median Homestead house for sale has been on the market 43 days, against 43 on its current listing; 0.2% of active houses have been withdrawn and relisted at least once.

METHODOLOGY

Method: counts and medians over active and under-contract residential listings in Homestead and Miami-Dade County permitted for internet display in PBP Real Estate's BeachesMLS data feed, snapshotted daily at about 5:00 AM Eastern; this kit reflects listings as of September 5, 2026. A price cut means the current asking price is below the original list price. Cumulative days on market counts every relisting; days on market as shown on portals resets on relist. Houses are single-family residences; condominiums exclude townhouses and villas; the two are never combined. Under contract includes Pending and Active Under Contract. Price bands with fewer than 30 listings are marked; fewer than 10 are not read. Sample sizes: 548 houses, 157 condominiums, 162 houses under contract. No estimate or model is applied; every figure is a count or a median of MLS fields. Figures refresh every morning at <https://www.pbprealestate.com/price-cuts-homestead/>.
