METHODOLOGY

Method: counts and medians over active and under-contract residential listings in North Palm Beach and Palm Beach County permitted for internet display in PBP Real Estate's BeachesMLS data feed, snapshotted daily at about 5:00 AM Eastern; this kit reflects listings as of September 5, 2026. A price cut means the current asking price is below the original list price. Cumulative days on market counts every relisting; days on market as shown on portals resets on relist. Houses are single-family residences; condominiums exclude townhouses and villas; the two are never combined. Under contract includes Pending and Active Under Contract. Price bands with fewer than 30 listings are marked; fewer than 10 are not read. Sample sizes: 43 houses, 145 condominiums, 6 houses under contract. No estimate or model is applied; every figure is a count or a median of MLS fields. Figures refresh every morning at <https://www.pbprealestate.com/price-cuts-north-palm-beach/> .
